Holy Family, Christmas Preface, EP I, Mem. Acc.1

Psalter Christmas Octave

THE WORD THIS WEEK

The Holy Family may a little too perfect or far removed from us. And yet, as today's Gospel reminds us there were also the so-called 'hidden years' - the many years of family life in Nazareth, spent in ordinary things. During that time, we hear how Jesus grew & matured, and in the glimpse of that family life we see our example. Our celebration of this feast announces that there is a lasting value in the ideals of family life with all their interrelationships. Whatever the changing details of each age, honour, understanding and love always remain the recipe for the happy, and holy, human family. It is love that we put on over all the other clothes of changing cultures & places, to guarantee the life of the family in imitation of the Holy Family of Jesus, Mary & Joseph.
